

TUV India invites you to attend Online Awareness Session to discuss on topic

SFDA Regulatory Requirements for Fresh Fruits & Vegetables, Agricultural crops & Spices Exports from India

Date: 14th June 2021 Time: 02:00 PM to 04:00 PM

India exports a large amount of agricultural crops, fresh fruits & vegetables and spices to Kingdom of Saudi Arabia. TUV India, a premier food testing laboratory and SFDA approved, has successfully carried out testing of over 1000 of samples for exports to Kingdom of Saudi Arabia.

Who should attend?

- ♣ Fresh fruits and vegetables, agricultural crops and spices exporters to Kingdom of Saudi Arabia
- ♣ Food produce exporters
- ♣ Stakeholder and interested parties

In view of the notice released by SFDA for regulatory requirements of exported food samples, TUV India invites you to attend an exclusively curated awareness session on the SFDA testing and regulatory requirements. Additionally, for your benefit we have also invited senior members from TUV Austria based in India and Saudi Arabia to explain the procedure for CoC issuance for Indian Exporters to help address queries specific to this subject.

To Register: [Click Here](#)

Duration : 2 Hours (120 Minutes)

To know about all our Online Training Programs scan adjacent QR Code

The awareness session will focus on below aspects-

- ♣ Overview of the export requirements
- ♣ Overview of SFDA testing requirements as per regulations
- ♣ TUV India's testing services
- ♣ Procedure for CoC issuance
